Grant TK-8 PTA invites all students to...

Compete in the 2020-2021 Reflections Art Program!

Each year, more than 300,000 students at PTA schools throughout the USA create original works of art in response to a student-selected theme. This 50+ year-old art competition helps them explore their own thoughts, feelings and ideas; develop artistic literacy; increase confidence; and find a love for learning that will help them become more successful in school and in life.

The theme for the 2020-2021 competition is “***I Matter Because...***” Grant students in grades TK-8 may submit their original works of art in any of these categories: Dance Choreography, Film Production, Literature, Music Composition, Photography, or Visual Arts. Winners of our competition will be announced in November and their artwork will move on to a district-wide competition.

The deadline to submit your student’s artwork is: 5 PM, Monday, October 26, 2020
